

REVTECH

NEW

RevTech 97" & 106" Big Bore Kits with Forged Pistons

There's no replacement for displacement! These 4" big bore cylinders with forged and coated KB pistons increase the displacement of an 88" Twin Cam to 97" and raise a 96" Twin Cam to a whopping 106" with no case machining.

Each kit includes:

- RevTech 4" Cylinders with machined fin edges in black wrinkle or natural finish
- KB forged pistons with anti-friction skirt coating
- Cometic multi-layer steel head gaskets
- For best performance results add cams and Carb/EFI upgrade

For Twin Cam 96 from 07-11
